Objective

The purpose of this interactive seminar is twofold: first, to introduce participants to the law and practice of cross-border civil and commercial mediation and, secondly, to improve their English language skills.

Participants will be encouraged to make use of mediation techniques and procedures, while also receiving the tools to and developing the ability to communicate effectively in English in cross-border situations.

Who should attend?

Judges (nominated by the project partners), mediators and lawyers in private practice from EU Member States.

Interested members of the Association of European Judges for Mediation (GEMME) may register via GEMME. Participation is on selection.

Project description

Within the framework of the Justice Programme the European Union is co-financing a series of nine language training activities on cross-border mediation.

Each seminar will last 2.5 days and will be organised in the partnering Member States. The number of participants (judges, lawyers and mediators) will be limited to 30 per event.

The training activities will combine interactive language training and legal training with a focus on cross-border mediation.
